Civil Litigation Solicitor

Description

My client is a long-established regional law firm who offer a wide array of legal services to both individuals and business clients.

As part of their growth plans they are seeking to appoint an experienced Civil Litigation Solicitor

Responsibilities

Working alongside another Fee Earner in this area, the role involves managing a varied case of civil litigation claims including but not limited to:

- Property litigation
- Debt recovery
- Professional negligence

Qualifications

This is a great opportunity for an ambitious and results driven litigator to really make a difference.

In addition to a PQE of at least 3 years in a similar role, the successful candidate will be a keen business developer to drive the department forward and be recognised for their success.

Job Benefits

In return, you can expect a competitive basic plus benefits including a holiday entitlement that increases with service and birthday day off.

What is key to this role is the opportunity to develop your career on the back of your results. This role is ideal for someone wanting to take on a department head role and beyond.
