Employment Law Solicitor (5yrs + PQE)

Description
My client is a Chambers and Legal 500 recognised firm with offices in the heart of Manchester. They are a boutique practice who work with a very niche client base.

Responsibilities
Due to the continued growth of the firm they are looking to appoint an experienced Employment Law Solicitor to look after a wide range of both contentious and non-contentious employment matters.

Qualifications
The successful candidate will likely have over 5 years PQE although candidates with less experience may still be considered. Accompanying experience, they are looking for excellent academics and some good Tribunal experience.

Job Benefits
In return, the appointed person will enjoy working with a very exclusive client base, a varied and interesting caseload, competitive basic salary and benefits.
