Qualified Residential Conveyancer

Description
An exciting opportunity has arisen with a modern and refreshing firm based in Merseyside.

Specialising in residential property, the firm have gone from strength to strength and want to recruit experienced Conveyancers who are either CLC or Solicitor qualified.

Responsibilities
As you can expect, you will be working autonomously with the support of a Conveyancing Assistant and duties include:

- Managing a caseload of sale, purchase and re-mortgage matters from instruction to post completion
- Drafting and reviewing of leases
- Managing all elements of the process
- Dealing with refinancing matters
- Providing high levels of client care

Qualifications
Either CLC or a qualified Solicitor, you will have at least 2 years managing your own residential conveyancing and property matters and be able to demonstrate a high level of technical knowledge.

Job Benefits
You will be rewarded with a competitive salary, bonus, free parking, ongoing development and support.

Although currently working remotely, the firm is moving to a fully office based role as and when current government guidelines allow.
