Residential Conveyancer

Description

Are you an experienced Residential Conveyancer or Conveyancing Solicitor who is looking for a move? Maybe you are tired of the cut and thrust of a volume Conveyancing company and are looking to move to a more traditional law firm setting?

My client is a lovely high street practice with a network of offices in the Cheshire area. As a result of their continued growth and a regular clientele they are looking to appoint an experienced Conveyancer for both their Wilmslow and their Stockport offices.

Responsibilities

Working on a one to one with a Legal Assistant/Secretary, the role involves:

- Managing a mixed caseload of sales, purchase, remortgage, equity release and new build work.
- Delegating work and overseeing a legal assistant.
- Dealing with clients from initial instruction and throughout the process to completion and beyond.

As this is a high street practice there may also be the opportunity to be involved in private client work as part of the role however this is not essential.

Qualifications

The ideal candidate will have at least 3 years experience working within Residential Conveyancing and be able to demonstrate a self-managing and autonomous approach. Although support and ongoing training is available, priority will be given to candidates who can demonstrate the ability to work independently when needed.

Job Benefits

In return, you can expect pleasant working conditions, competitive basic salary (determined by skills and experience), 20 days holiday + bank holidays + Christmas shut down (increases with service), bonus scheme and a 35 hour working week.

Apply now for immediate consideration.
